By its Petition (PRN 3501102), Golden Nugget Atlantic City, LLC d/b/a Golden Nugget Atlantic City ("Golden Nugget") requests amendments to its Certificate of Operation involving a reconfiguration of slot machines and table games on its casino floor. Among the changes requested was a change to its Casino Hotel Alcoholic Beverage (CHAB) license to authorize a CHAB outlet.

Rush Lounge

Rush Lounge is an area adjacent to the main casino floor as depicted in an architectural drawing submitted by Golden Nugget to the Division as part of its Petition. There will be two (2) bars located within Rush Lounge. One bar will be adjacent to a gaming pit (Pit 9) which will contain eleven (11) bar top slot machines. Golden Nugget seeks a Type I (casino) authorization for this area as this area is part of the casino floor. The second bar within Rush Lounge will be located adjacent to the gaming tables in Pit 10 (Pit 10 is currently under construction and is not open) and will be within an area which Golden Nugget seeks a Type II (hotel) authorization.

The Division of Gaming Enforcement ("Division") inspected the aforementioned area for regulatory compliance and issued a letter dated December 23, 2011 approving the proposed

Certificate of Operation amendments.

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*,

I hereby ORDER that the Petition be granted and the CHAB license of Golden Nugget be amended to include Rush Lounge subject to the following conditions:

1. Alcoholic beverages are to be provided to patrons within Rush Lounge by the glass or other open receptacle for consumption on the premises of Golden Nugget only.
2. Golden Nugget will maintain procedures to insure that sales of alcoholic beverages to patrons of its lounge area will be only to those individuals who are 21 years of age or older and that such beverages are not sold to individuals who are actually or apparently intoxicated.
3. Golden Nugget will train its beverage servers assigned to the Rush Lounge that they may provide complimentary alcoholic beverages to those patrons engaged in gaming activity. For those patrons not engaged in gaming activity in that portion of the Rush Lounge depicted as a Type II CHAB outlet, beverage servers will be trained to charge for alcoholic beverages and inform the patron that there is a charge prior to taking the drink order. Golden Nugget will maintain procedures to insure that its beverage servers are so trained and that there will be other notification to patrons at the Rush Lounge of charges for alcoholic beverages, such as signage and/or menus with prices indicated thereon.
4. While conducting the sale of alcoholic beverages within its lounge, either complimentary for those engaged in gaming activity or non-complimentary for those not engaged in gaming activity, Golden Nugget will comply with all requirements attendant to Type I and Type II CHAB authorization, pursuant to *N.J.S.A. 5:12-103g(1)* and *N.J.S.A. 5:12-103g(2)* and with all applicable alcoholic beverage laws and regulations of the Division of Gaming Enforcement and, as deemed applicable, the Division of Alcoholic Beverage Control.
5. Golden Nugget is to obtain all necessary approvals from other governmental agencies prior to commencing operation of the lounge as a Type I and Type II location.
